Report of Principal and School Improvement Council

Our theme for the 2013-2014 school year was "Together We Soar!" Through ongoing collaboration, the students, staff and parents of our school have worked hard to accomplish our mission of ensuring that all students are successful, instruction is high quality and standards-based, and our school is a safe and nurturing place.

High achievement and growth for all subgroups has been our focus this year. All grades fully implemented the Common Core State Standards. Teachers participated in on-going data analysis to closely monitor student achievement of the standards. Teachers met weekly in professional learning communities to discuss standards, share research-based instructional strategies that promote thinking and rigor, create standards-based assessments, and analyze data to determine individual student needs. Bi-monthly professional development was also provided to increase teachers' knowledge of best practices.

To promote a safe and nurturing environment, we implemented PBIS, Positive Behavior Intervention System. School-wide behavior expectations were taught to all students, who then had an opportunity to earn "Eagle Bucks" for demonstrating expected behavior. Students could trade the "Eagle Bucks" for various rewards and privileges. We also continued our practice of recognizing good behavior and citizenship at quarterly awards programs.

The success of any school requires strong partnerships between the school, parents and community. To foster this partnership, we re-established the BNES PTO. The PTO supported the school throughout the year by helping to sponsor various activities, fundraising, and providing student incentives. Our School Improvement Council continued to advocate for our students and provide input into critical decisions. We continued to foster family and community involvement through activities such as Title I/Curriculum Night, Grits for Grandparents, Family Fun Fitness Night, Veteran's Day program, Chamber of Commerce 3rd grade book distribution, Rotary Club's dictionary distribution, and Kiwanis Club character recognition.

Our school had other accomplishments this year as well. In the Marion County Youth Art Month competition, all of the K-2 category winners were from BNES, as well as the 2nd place and Honorable Mention winners in the 3-5 category. One of our 5th graders was invited to participate in a People-to-People leadership conference in Washington, D.C. Three of our teachers obtained grants to purchase instructional materials, and the school received a mini-grant to fund professional development.

It has been a successful year for our school, and we are proud of our accomplishments. The staff is highly dedicated to providing the best for our students, and we will continue to work to strengthen our partnerships with families and community members. Together we will help our students soar to their highest potential.

Mrs. Crystal Johnson, SIC Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Britton's Neck Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
